Golden Face – Remnant

(Series: GOLDEN)

A dark stone figure crowned with gold meets a delicate kinetic mobile, contrasting permanence with the fleeting traces of identity and time.

Schwingung 41

(Series: SCHWINGUNG)

Carving air out of marble, Norbert Diemert transforms solid stone into a fluid form where light and movement emerge from stillness.

Schwingung 54

(Series: SCHWINGUNG)

Liquid elegance frozen in marble. Soft, undulating curves reveal a poetic inner flow within seemingly immovable stone.

Schwingung 50

(Series: SCHWINGUNG)

Architectural tension in dark stone. A serpentine wave arches overhead, revealing a striking balance between gravity, movement and space.
