New Urban

2024 · DIGITAL ART · 50 × 60 IN.

Angular grids and vivid colour blocks compress the cityscape into a dynamic field where architecture becomes visual rhythm.

Vicinity

2024 · DIGITAL ART · 60 × 50 IN.

Layered textures and suspended shapes turn proximity into shifting relations between structure, surface and open space.

ART GLOBAL CONTEMPORAIN

New Vista

2025 · DIGITAL ART · 50 × 60 IN.

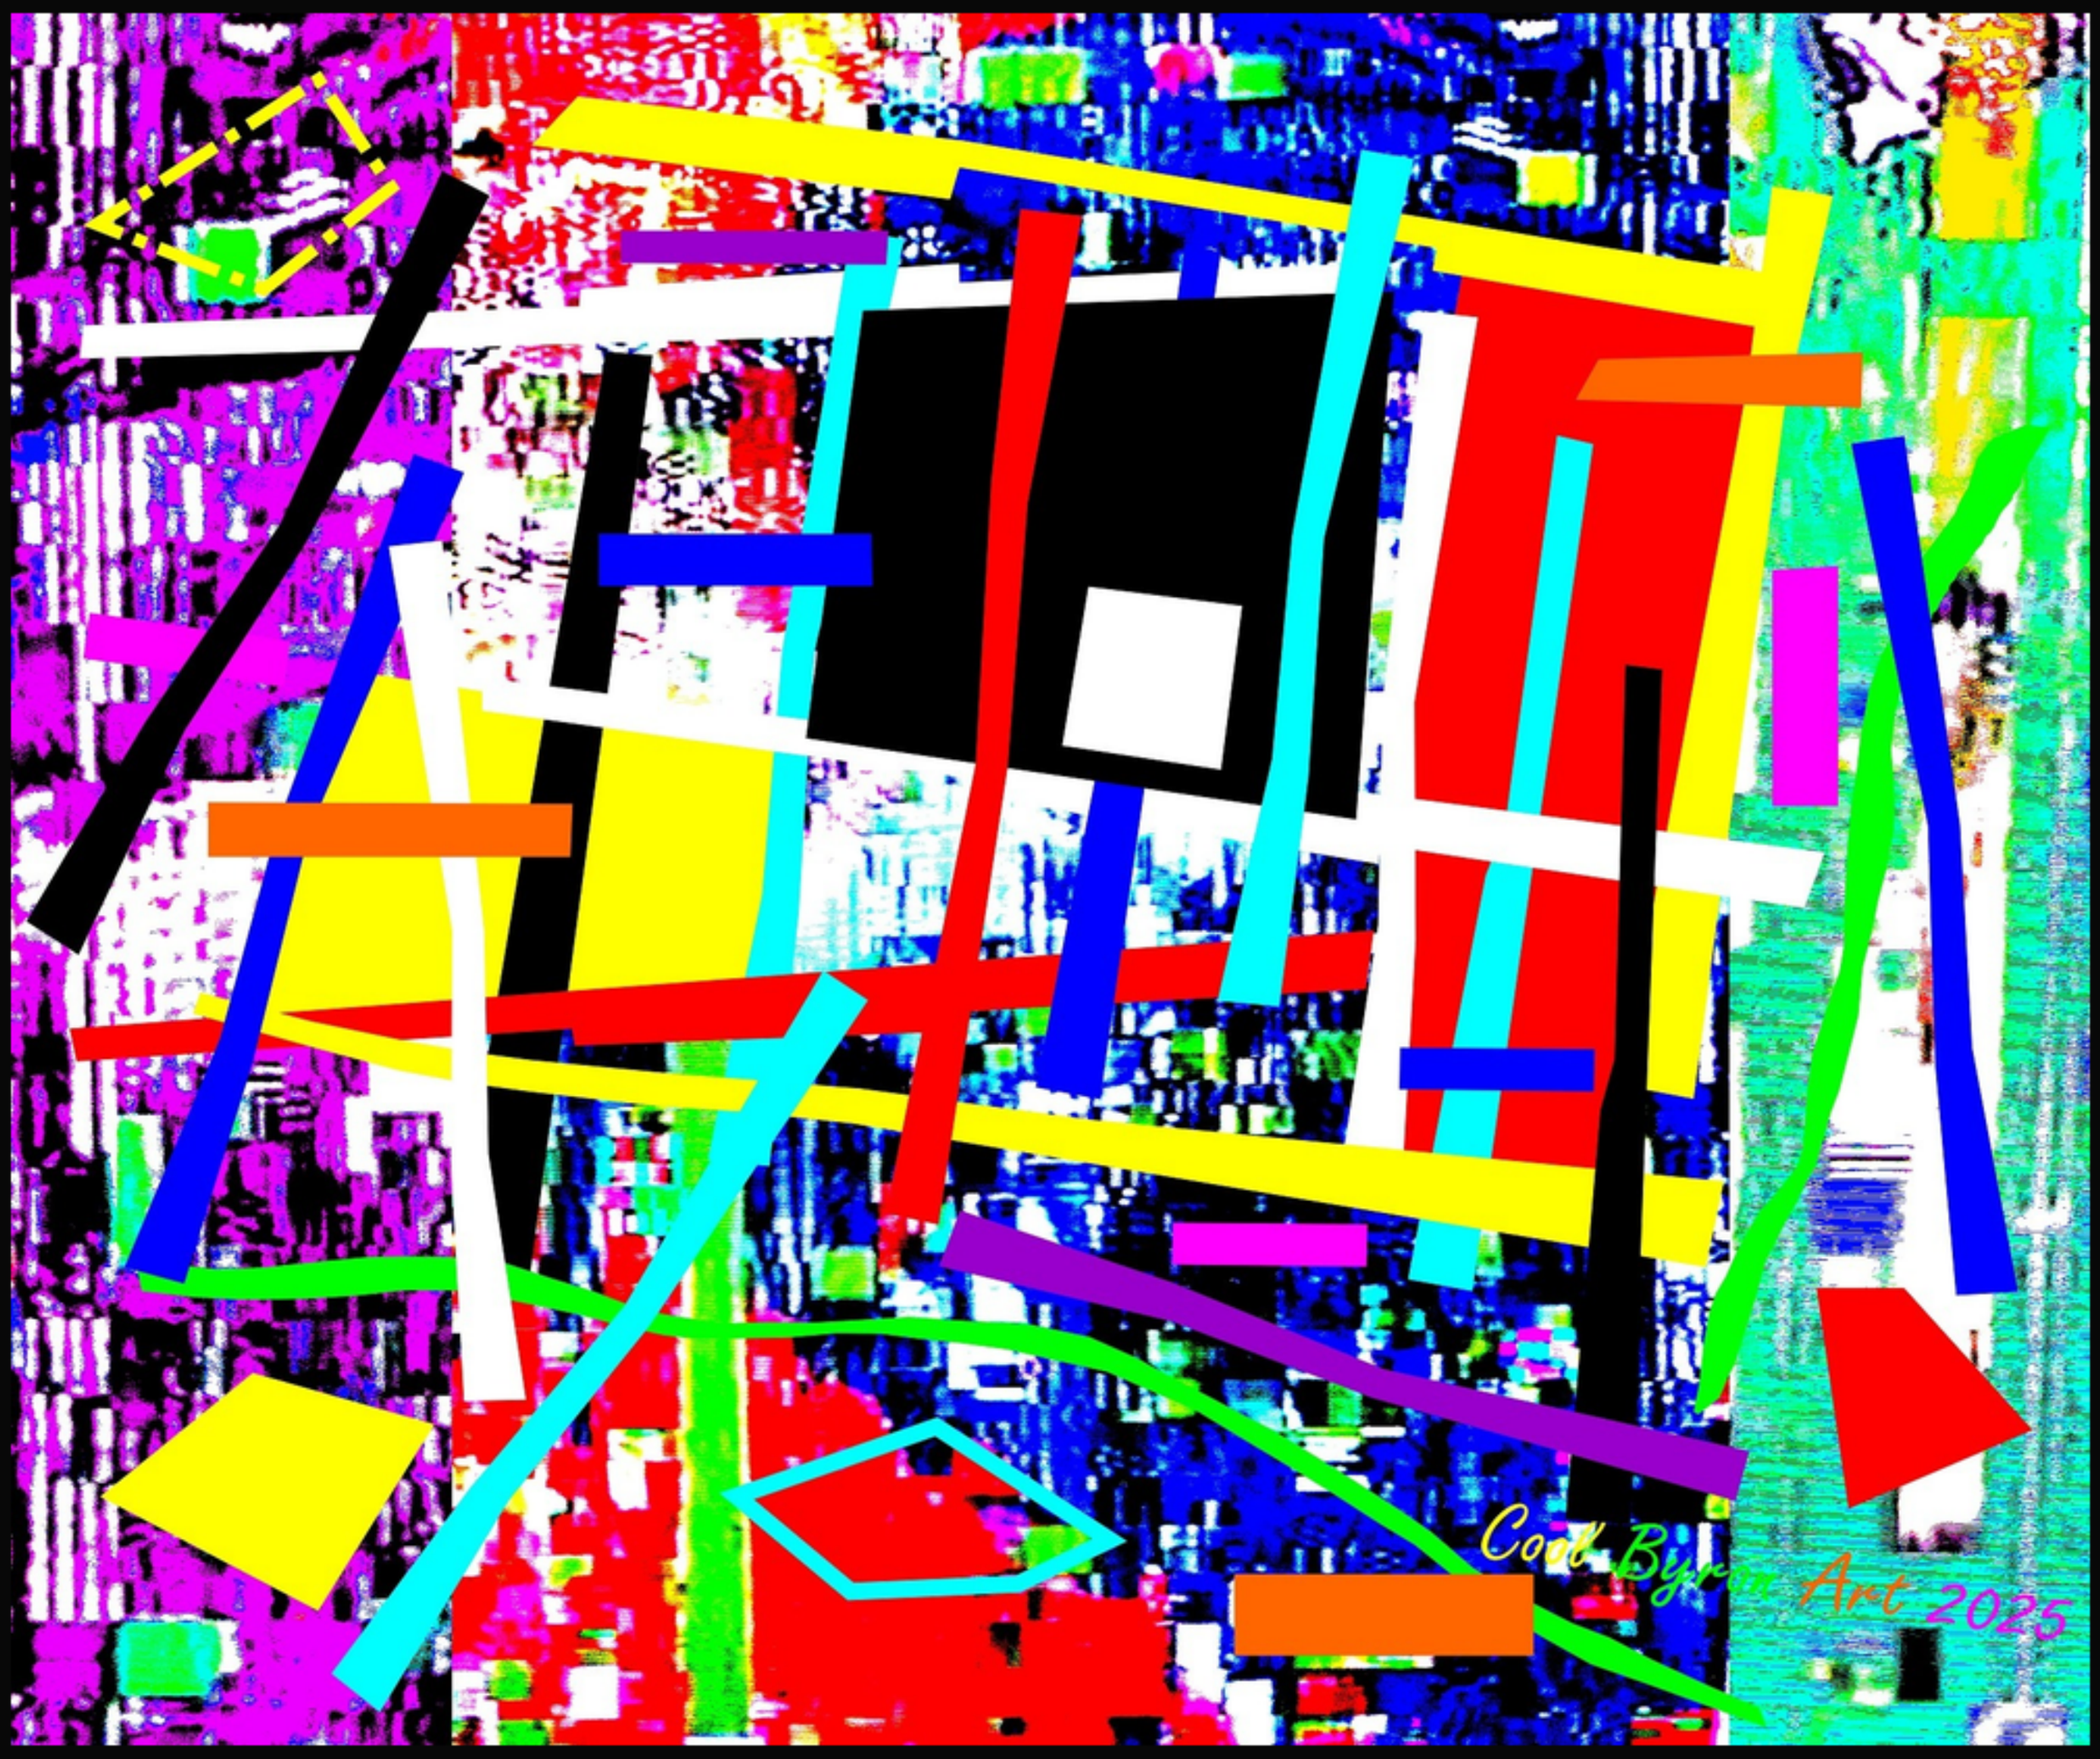

Black scaffolding and curving green gestures cut across a luminous ground, creating tension between constructed order and expansive movement.

Art Global Contemporain

New City

2025 · DIGITAL ART · 50 × 60 IN.

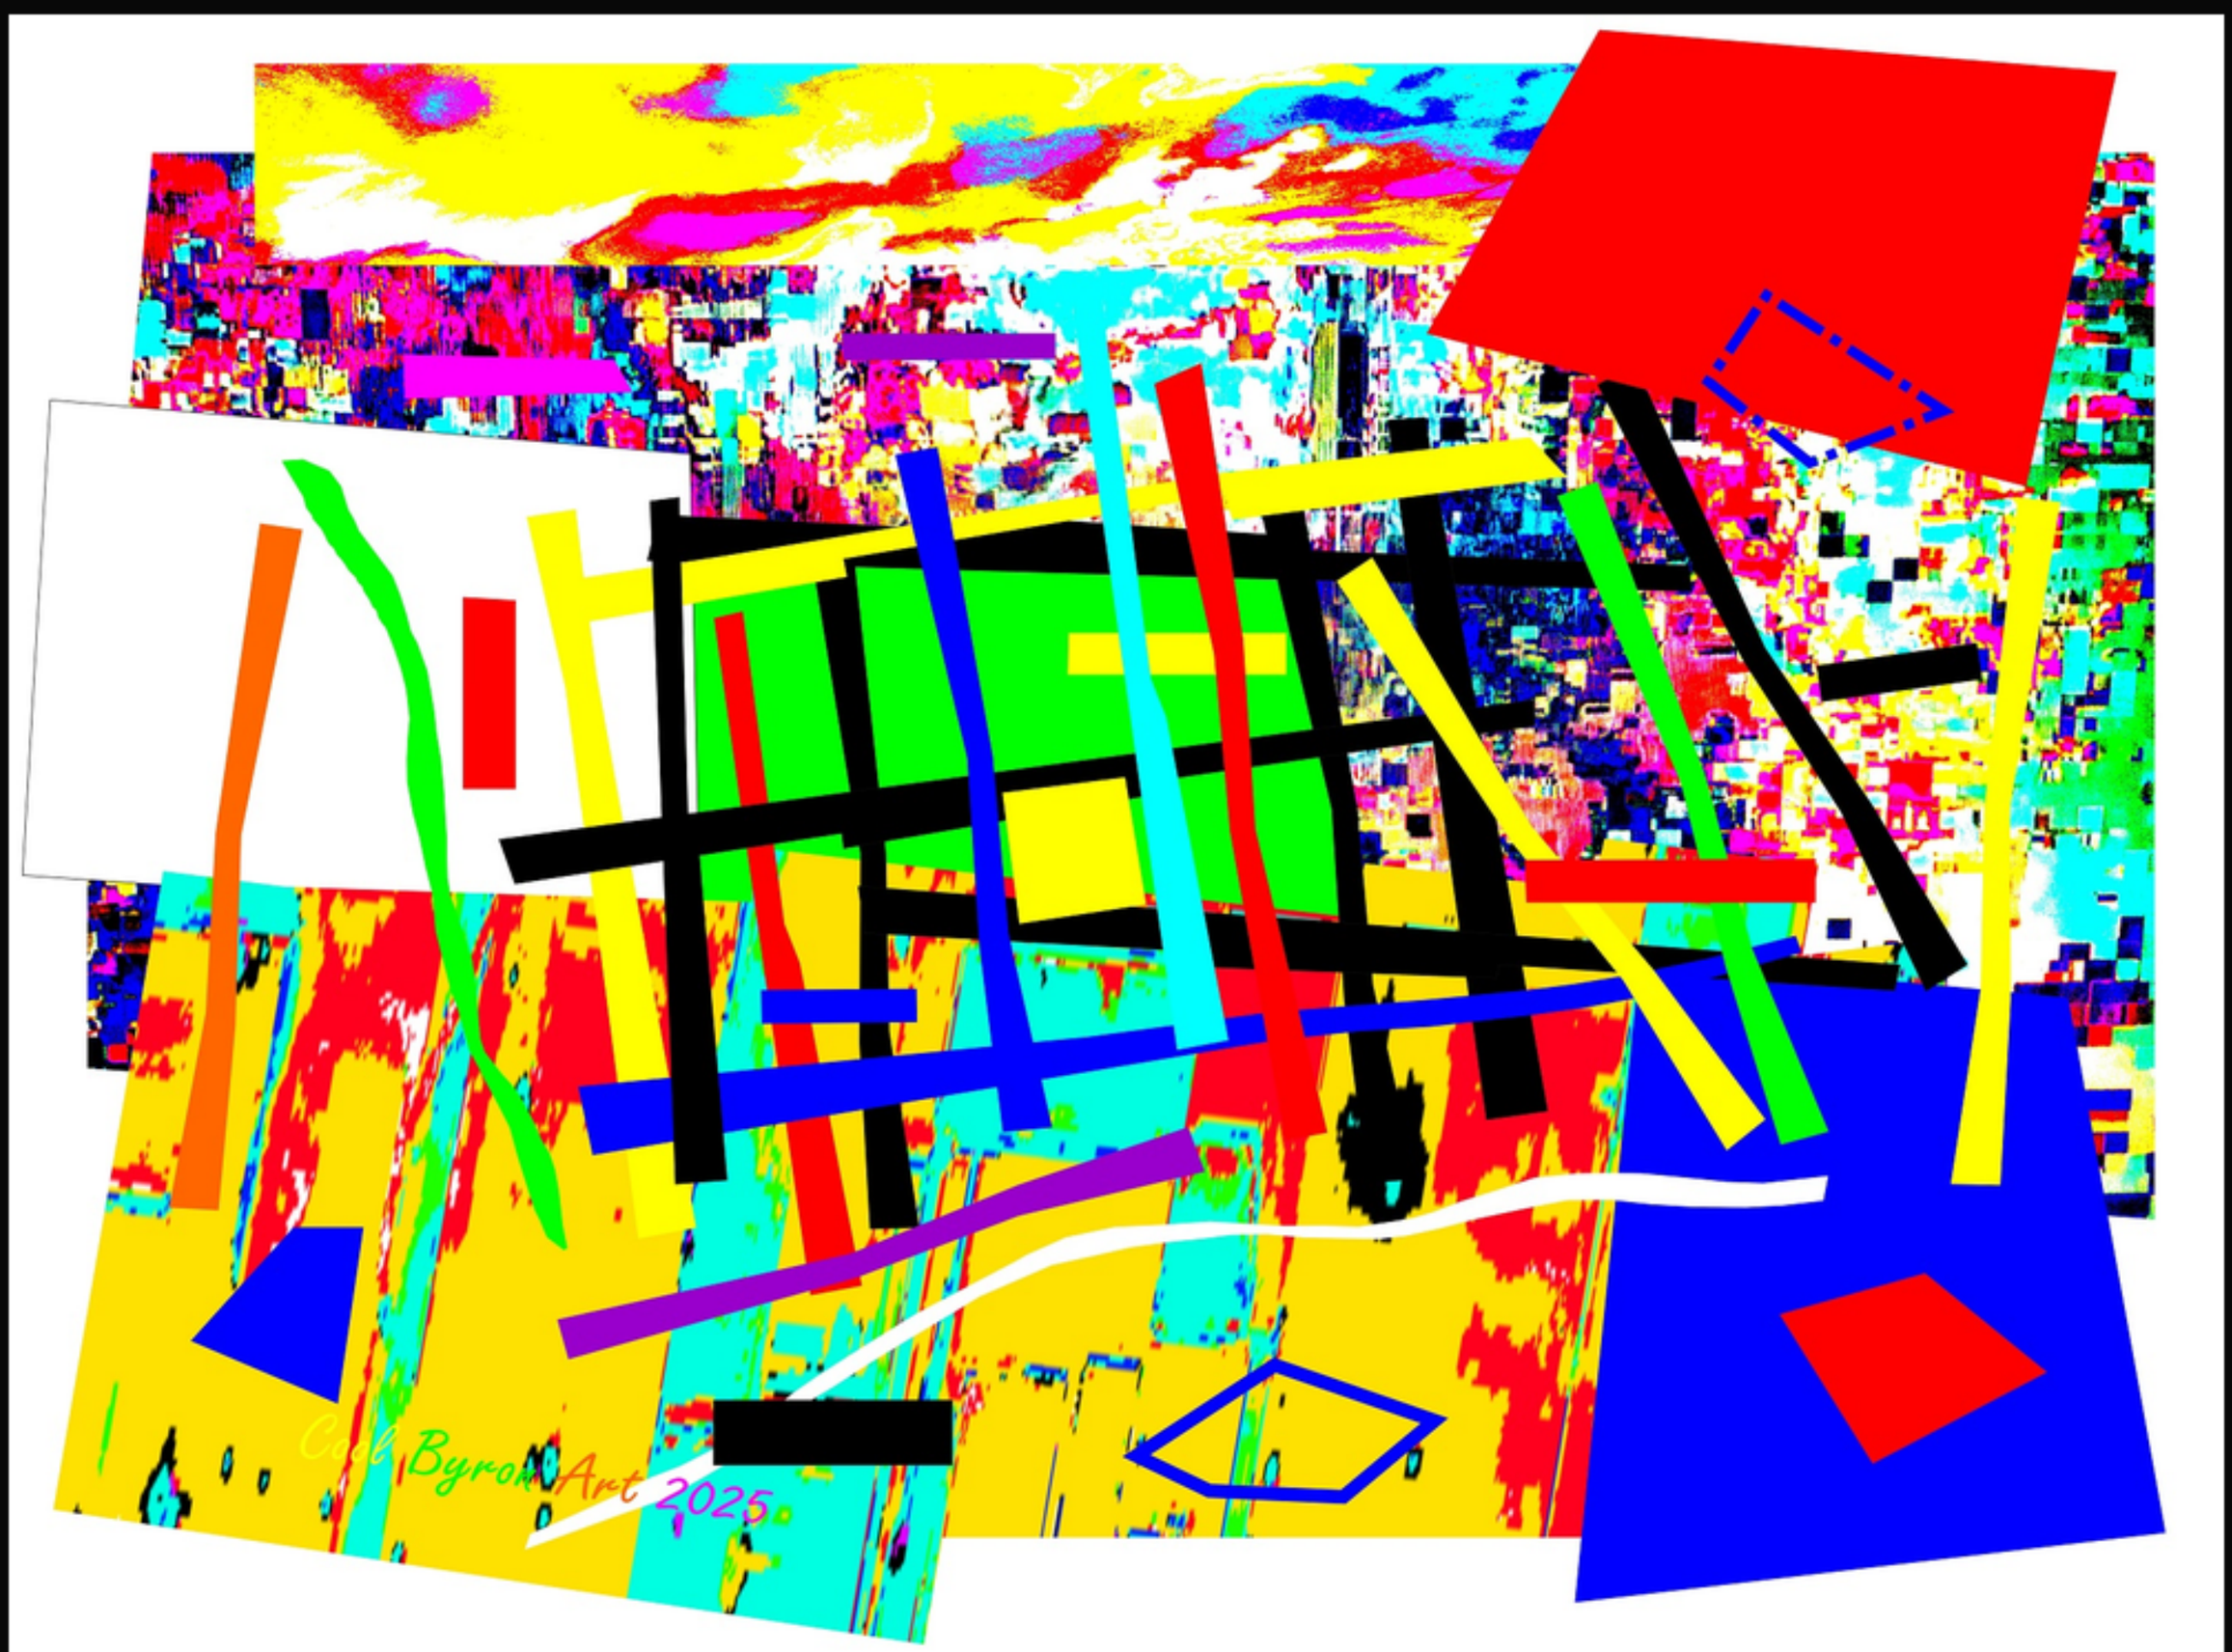

Dense vertical frameworks establish a forceful rhythm against a pixelated field, reimagining the city as an energetic system of colour and structure.

New Urban

2023 · DIGITAL ART · 50 × 60 IN.

Across these works, colour becomes structure and geometry becomes movement—
a vivid synthesis of architectural thought, landscape and digital expression.
