Art Global Contemporain

Hello Indigo Child

Colour and light fracture the surface into a vivid field of shifting forms.

He: His World Full On

Translucent forms hold flashes of magenta within a delicate play of light.

Art Global Contemporain

Trump L'oeil

Water traces make surface and depth difficult to separate.

E BEE BANTUG

Art Global Contemporain

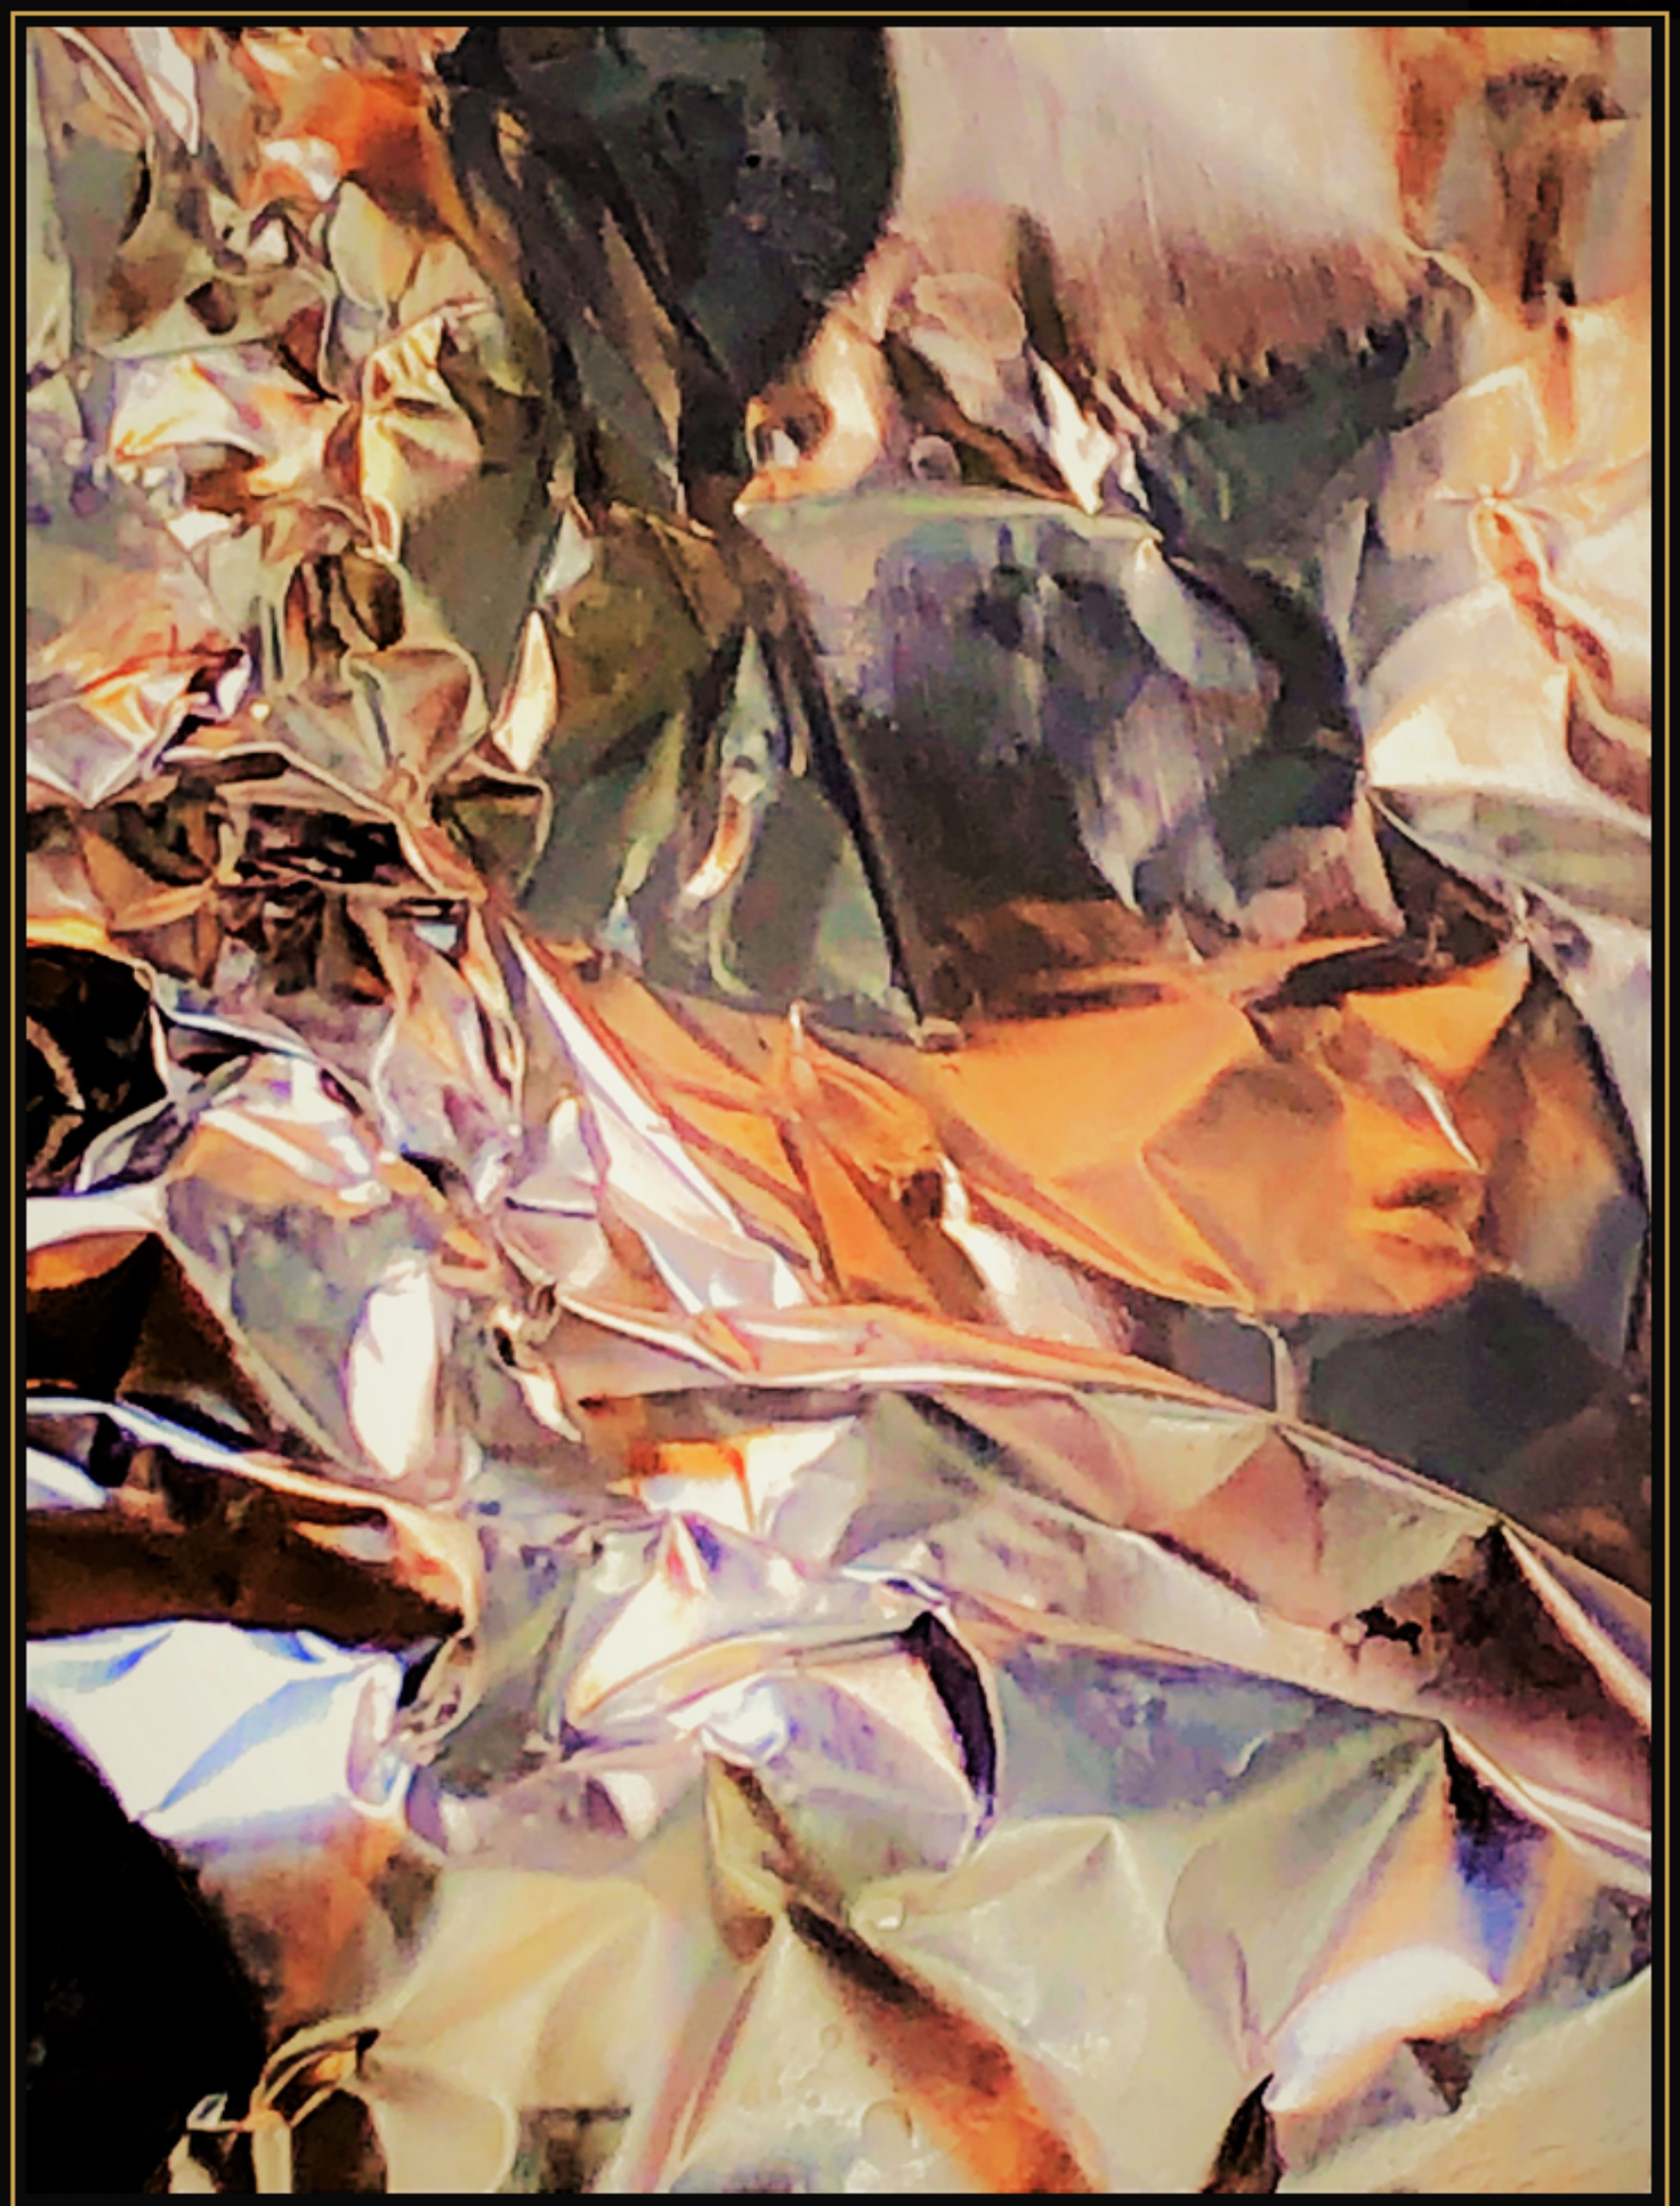

Watch Me Shift

Amber and green move across the frame with the rhythm of a painterly gesture.

Dreams of Transformation

Folded reflections suggest a form caught in the act of becoming.

Between Heaven and Earth

Cool tones and suspended textures open a quiet space between near and far.

Art Global Contemporain

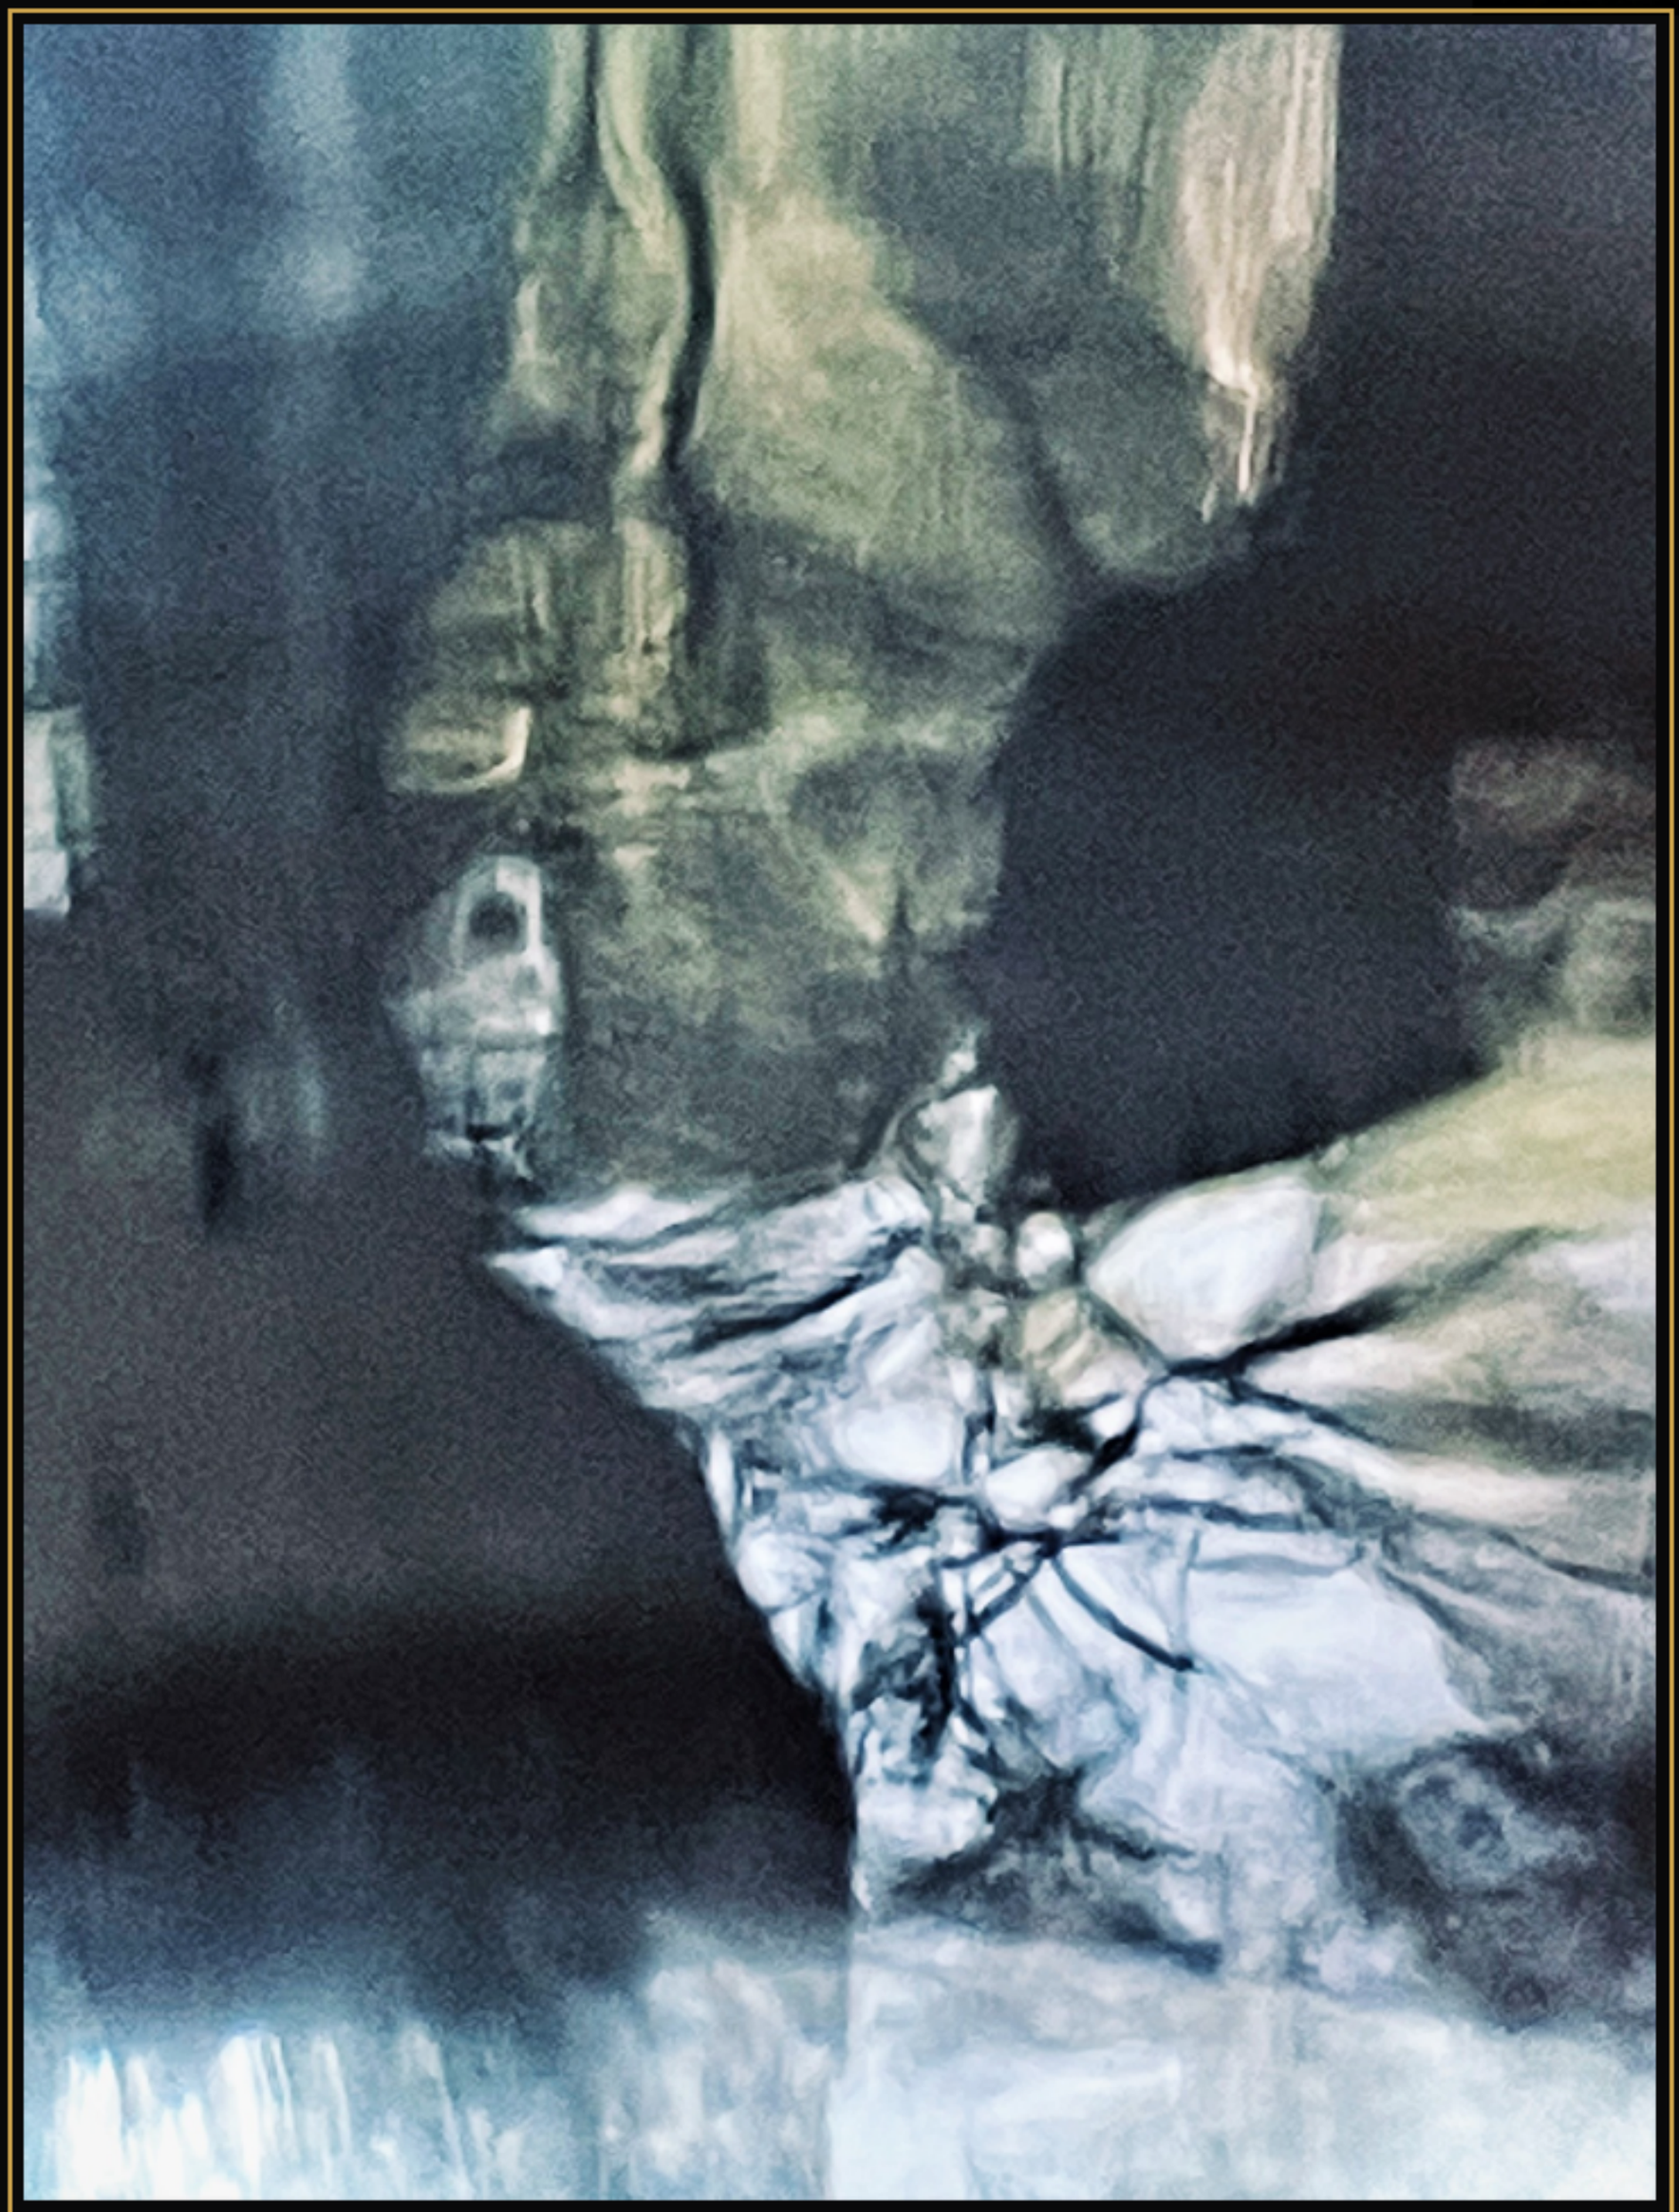

Guardians

Lines of light emerge from darkness with a striking sense of presence.

Ineffable Ancestral Mysteries

Indigo shadows and fractured light leave the image open to memory and mystery.
